ANNOUNCEMENT **March 16, 2012**

I am pleased to announce that we have now created a “Press Release” link into our City of San Benito Website, that is now going to be available for public and media access. To access this link, log on onto the City of San Benito website, under the City Government tab click on “Overview”, then go to City Departments. Under city departments go to “Police Department”, the click on “Press Release”. This link will provide information on activities or incidents that occur within the functions of the police department. Working together to keep San Benito safe.
